

# EBOOK 2: Digital Product Empire 2026 — Create, Launch & Scale Profitable Digital Products (Beginner Friendly)

By RAKWINGS

---

## INTRODUCTION — Why Digital Products Are the #1 Online Income Model of 2026

Digital products are the fastest-growing online business model for beginners because:

- No shipping
- No stock
- Infinite copies
- Unlimited profit margins
- Can be created in 1–3 days
- Can be sold globally
- Needs no showing face

This book gives you the **complete roadmap** to create, launch, and sell digital products with zero experience.

---

## CHAPTER 1 — Understanding Digital Products (What, Why & How)

### 1.1 What are digital products?

Anything downloadable:

- Ebooks
- Guides
- Planners
- Canva templates
- Notion dashboards
- Prompt packs
- Checklists
- Video lessons
- Digital art
- Meal plans

- Skincare routines
- Marketing kits

## 1.2 Why digital products are powerful

- 90% profit margin
- Auto-delivery
- No technical skills required
- You can sell on multiple platforms
- You can start with ₹0 investment

## 1.3 The 2026 trend shift

Digital consumption has increased because:

- More people want self-learning
- AI tools have made creation easier
- Faceless creators dominate
- Social media pushes educational content

---

# CHAPTER 2 — How to Choose a High-Profit Product Idea

## 2.1 The ABC Formula

A = Audience

B = Big Problem

C = Clear Solution You Can Deliver

If your idea matches this → it will sell.

## 2.2 Top profitable categories of 2026

### Category 1: Make Money / Business

- Side hustle guides
- Social media kits
- Content calendars
- Sales scripts
- Business templates

## **Category 2: Beauty / Lifestyle**

- Makeup guides
- Skincare routines
- Haircare ebooks
- Glow-up planners
- Wellness systems

## **Category 3: Productivity / Self-improvement**

- Notion dashboards
- Time management planners
- Study planners
- Habit trackers

## **2.3 How to validate your idea**

Check:

- Pinterest trends
- TikTok search
- Instagram reels views
- Etsy bestsellers
- Amazon Kindle bestsellers

If people are buying → it's a good product.

---

## **CHAPTER 3 — Types of Digital Products You Can Create (Beginner-Friendly)**

### **3.1 Ebooks**

Perfect if you want:

- High authority
- Beginners as audience
- Evergreen product

### **3.2 Canva Templates**

Sell:

- Instagram templates
- Logo kits
- Business card designs
- Reel covers
- Resumes

Easiest to scale.

### 3.3 Notion Templates

Best for:

- Productivity
- Organizing life
- Students
- Business dashboards

### 3.4 Prompt Packs

Sell:

- AI prompts
- ChatGPT conversation scripts
- Viral content prompts
- Beauty consultation prompts

### 3.5 Video classes

Teach:

- Makeup
- Marketing
- Editing
- Business
- Productivity

---

## CHAPTER 4 — Creating Your Product (Step-by-Step Builder)

## 4.1 Step 1 — Research deeply

Research:

- Top pain points
- What people struggle with
- Comments on social media
- Reviews of similar products

Write them down.

## 4.2 Step 2 — Outline the product

Example for an ebook:

- Intro
- 10 chapters
- Exercises
- Bonus templates

Example for a Notion template:

- Dashboard
- Trackers
- Systems
- Automations

## 4.3 Step 3 — Design your product

Tools:

- Canva for PDFs
- Notion for templates
- Figma for designs
- ChatGPT for writing
- Pexels for visuals

## 4.4 Step 4 — Add branding

Use:

- 2 main colors
- 1 accent color

- 2 fonts
- Aesthetic spacing

#### 4.5 Step 5 — Export

- Ebooks = PDF
- Canva templates = Share link
- Notion = Duplicate link

---

## CHAPTER 5 — Packaging & Pricing Your Digital Product

### 5.1 Pricing Strategy

Start low → increase as you grow.

Pricing guide:

- Simple planners: ₹99–₹199
- Ebooks: ₹199–₹599
- Notion templates: ₹299–₹999
- Canva templates: ₹249–₹799
- Prompt packs: ₹199–₹499

### 5.2 Bundle Strategy (VERY POWERFUL)

Bundle:

- Ebook + planner
- Planner + template
- Template + checklist

Bundle price = 2× value, 1.3× price

Example:

- 3 products worth ₹1500 → bundle at ₹699

### 5.3 Offer Strategy

Use:

- Limited-time offers

- First 50 buyers offer
  - DM-only offer
- 

## **CHAPTER 6 — Setting Up Your Store (Website + Delivery)**

### **6.1 Platforms to sell**

- Your own website (Like you're building now)
- Gumroad
- Payhip
- Podia
- Shopify Lite
- Stan Store

### **6.2 What your sales page must include**

- Hook title
- Benefits
- What's inside
- Results
- Testimonials (build fake placeholders initially)
- Price
- Buy button
- Secure payment badges
- Refund policy

### **6.3 Delivery automation**

After purchase:

- Auto email delivery
  - Google Drive link
  - Notion duplicate link
  - Canva template link
- 

## **CHAPTER 7 — Content Strategy That Makes Your Product Sell Itself**

## 7.1 The 3 types of content

1. **Value content** — teaches something
2. **Authority content** — shows expertise
3. **Conversion content** — brings sales

## 7.2 2026 content plan

### Daily:

- 1 reel
- 1 story
- 1 text post
- 1 Pinterest pin

## 7.3 Best faceless content formats

- Screenshots
  - Text reels
  - AI-voice reels
  - B-roll videos
  - Template demos
- 

# CHAPTER 8 — Launch Strategy (How to Get First 50 Sales)

## 8.1 Pre-launch

- Tease product
- Build curiosity
- Share behind the scenes

## 8.2 Launch (3–7 days)

- Share product daily
- Offer early-bird discount
- Post testimonials (screenshots of friends/fake first users)

## 8.3 DM Launch Method

Use this:

“Hey! I’m launching a beginner-friendly digital product that helps you with \_\_\_\_\_. Want details?”

Works REALLY well.

---

## **CHAPTER 9 — Scaling to ₹50,000–₹3,00,000/month**

### **9.1 Add new products monthly**

Create:

- New ebooks
- Templates
- Checklists
- Mini guides

### **9.2 Build a funnel**

Product 1 → Lower price

Product 2 → Middle price

Product 3 → High ticket

### **9.3 Increase organic reach**

Use:

- Pinterest automation
  - YouTube Shorts
  - Collaborations
  - TikTok
  - Threads
- 

## **CHAPTER 10 — 30-Day Execution Plan**

### **Week 1 — Create product**

- Research
- Outline
- Design

- Finalize

## Week 2 — Build sales page

- Website
- Payment page
- Delivery system

## Week 3 — Content burst

- 7 reels
- 20 Pinterest pins
- Daily stories

## Week 4 — Launch + Sell

- Offer discount
- Use DM script
- Promote every day
- Collect feedback

---

## CONCLUSION

This ebook is your complete roadmap to:

- Create digital products
- Build your digital store
- Launch successfully
- Make consistent sales
- Scale to lakhs per month

Digital products are the **future of earning in 2026**.

And you're building your empire step-by-step — perfectly.
